<h2>Pray with us for 30 days</h2>			01	02	03	04
			<p>The message of hope to fill the school communities we work with, so that children and staff know, through our faithful diligence, that they are loved and valued.</p>	<p>Children to really learn and understand about God in RE lessons.</p>	<p>Our work in secondary schools. For the same level of opportunities as we have in primary schools.</p>	<p>Continued development of relationships with school staff.</p>

<p>Every young person on the Unlimited program - that they would encounter Jesus through CRiBS.</p>	<p>Further links with children that CRiBS has seen over the last 30 years.</p>	<p>Fundraising success - that the grant applications we submit would be seen by the right people, who share our values and are excited to invest in CRiBS vision.</p>	<p>An increase in the opportunities to go into pre-schools.</p>	<p>Staffing to meet demand as we have more schools needing Wellbeing support.</p>	<p>God to provide funding for CRiBS to continue working in schools.</p>	<p>Creativity and flexibility in the way we present RE teaching.</p>

<p>More churches to get behind the mission of CRiBS.</p>	<p>More schools to take up workshops.</p>	<p>Team members to conduct themselves in a manner worthy of the gospel in every situation and circumstance.</p>	<p>Inspired and creative ideas when revising existing session content or developing new material.</p>	<p>Fresh ideas for future Seasonal Productions so we can present the same glorious content (Incarnation, Crucifixion & Resurrection) in new, memorable and engaging ways.</p>	<p>The team to always know that the Gospel is for them too! That they can grow in the love of Christ.</p>	<p>The unity of the team at all times, especially when working closely together.</p>

<p>That God will help CRiBS to keep the 'main thing' the main thing in its overall vision.</p>	<p>For the Trustees in the oversight of CRiBS as a charity.</p>	<p>To have creativity for new ways of working in schools, and flexibility to respond to what schools want and need.</p>	<p>Good relationships with schools, especially St Columba's where our offices are based.</p>	<p>Seeing more of the fruit from the seeds sown across the years.</p>
