## Volunteer Marshal for the Thames Path Walk – 25 miles for 25 years

CRiBS Charitable Trust really needs your help for one Saturday this Autumn. The **Thames Path Walk**, on **Saturday 22<sup>nd</sup> September 2018**, is a series of shorter walks which, when joined together, form a walk along the Thames Path from Thamesmead to Putney Bridge.

Members of the CRiBS team will be walking the full 25 miles. We will also be joined by members of the public who are registering to walk some sections or the whole 25 miles!

### Don't panic, we're not going to ask you to walk it!

However to make this opportunity a success we really need volunteer marshals on the day and someone like you and your friends and family would be perfect! We need to provide 10+ volunteers and if we don't reach this target we may have to cancel the event. This is why every new person that signs up is crucial to us and a great help!

The basic role is to ensure Walkers (we anticipate there will be no more than 100) follow the correct route, and that any safety issues, injuries, or first aid needs are communicated to Event Control.

### What we need from you?

- A morning, an afternoon or indeed the whole day of your time: the walk will run from 7am until late afternoon
- To help ensure the event is carried out safely and successfully
- To be able to stay in one place for 1-2.5 hours
- To give plenty of cheers and encouragement to the participants
- Your telephone name, mobile number and email
- You to bring a mobile phone to the event
- When agreeing to join us please advise if you are a qualified First Aider
- Some Marshals will be asked to cover two locations – at different points in the day. Please let us know if you are happy with doing this

### What we'll provide for you?

- Full briefing and set of instructions for the day
- Full support throughout the day from chief marshals
- A lovely bright yellow high-vis marshal jacket and other necessary equipment
- A chance to be involved with an event which will support children in Bexley Borough
