

## Making a Memory Box

What good memories do you have of your time at primary school?

- Trips
- Friends
- Achievements
- Holidays
- Games
- Experiences

What could you put in a memory box that you could look back later to remember these things?

- Photos
- Certificates
- Toys
- Souvenirs
- Badges
- Postcards
- Or maybe things that mean something to you but nothing to someone else....

Write or draw on and around the box things that you would put in your memory box and then make one and fill it!

If you're not able to print this sheet, you can make a list on paper OR just go straight to making your memory box.
