| | | | The message of hope to fill the school communities we work with, so that children and staff know, through our faithful diligence, that they are loved and valued. | Children to really learn and understand about God in RE lessons. | Our work in secondary schools. For the same level of opportunities as we have in primary schools. | Continued development of relationships with school staff. |

| Every young person on the Unlimited program - that they would encounter Jesus through CRiBS. | Further links with children that CRiBS has seen over the last 30 years. | Fundraising success - that the grant applications we submit would be seen by the right people, who share our values and are excited to invest in CRiBS vision. | An increase in the opportunities to go into pre-schools. | Staffing to meet demand as we have more schools needing Wellbeing support. | God to provide funding for CRiBS to continue working in schools. | Creativity and flexibility in the way we present RE teaching. |

| The widening of our supporter base, particularly as our work increases beyond the borders of Bexley Borough. | Strength, health and energy for the team. | Provision of more workers to work beyond Bexley Borough as our work increases. | More female schools workers for our Unlimited team. | Schools to have funding available to enable them to have our projects in schools. | Fresh, exciting fundraising ideas, and volunteers who are enthusiastic about raising money for CRiBS. | Schools to be open to the work of CRiBS - especially our RE based work. |

| More churches to get behind the mission of CRiBS. | More schools to take up workshops. | Team members to conduct themselves in a manner worthy of the gospel in every situation and circumstance. | Inspired and creative ideas when revising existing session content or developing new material. | Fresh ideas for future Seasonal Productions so we can present the same glorious content (Incarnation, Crucifixion & Resurrection) in new, memorable and engaging ways. | The team to always know that the Gospel is for them too! That they can grow in the love of Christ. | The unity of the team at all times, especially when working closely together. |

| That God will help CRiBS to keep the 'main thing' the main thing in its overall vision. | For the Trustees in the oversight of CRiBS as a charity. | To have creativity for new ways of working in schools, and flexibility to respond to what schools want and need. | Good relationships with schools, especially St Columba's where our offices are based. | Seeing more of the fruit from the seeds sown across the years. | | |
